1.	PRINCIPLE OF USE :	2
1.1	Uncovering :	2
1.2	Tarping :	2

1. PRINCIPLE OF USE :

1.1 Uncovering :

- 1) Detach the bungee cords from the sides and the rear of the skip, as well as the rope.
- 2) Pass the handling rope to the other side of the skip, then pull until fully folded.
- 3) Attach the rope to the cleat.

1.2 Tarping :

- 1) Detach the rope from the cleat.
- 2) Bring the rope to the rear of the skip.
- 3) Pull the rope to unfold the net and position the flaps around the skip.
- 4) Attach the bungee cords to the skip hooks, then attach the rope to the cleat.
